

Christmas '97

Merry Christmas to my saints
and guardian angels
Who protect me as I roam
'Tis the season to remember
All the faces
And all the places that
were home.

Guess my life's moved at
near life speed
Since I started this wild
and crazy run
Such a long way from that
first birthday
Merry Christmas, everyone.

Merry Christmas, Alabama

VOLUME 13 NO. 5

YOU BETTER LAVA ME NOW OR LAVA ME NOT

**NEW VOLCANO LYRICS FOR
MONTSERRAT BENEFIT:**

*Ground she's movin' under me,
You got the mountain slidin' to the sea.
Questions, questions in the land,
I think we make some travel plans.*

Chorus

*I watched the whole thing on TV,
Could not believe what I did see.
That Soufriere done blown its top,
I got to help my friends in Montserrat.*

Chorus

*So I took a plane to London town,
Brought along some island sound.
Got to make some noise,
raise some hell,
Oh those stories we could tell.*

"IT WAS ANNOUNCED TODAY THAT AN EXCEPTIONAL CONCERT WILL TAKE PLACE AT LONDON'S ROYAL ALBERT HALL ON MONDAY 15 SEPTEMBER 1997. THE ALL-STAR EVENT, ORGANISED BY SIR GEORGE AND LADY MARTIN TOGETHER WITH HARVEY GOLDSMITH WILL RAISE FUNDS FOR THE VICTIMS OF THE SOUFRIERE VOLCANO ON THE ISLAND OF MONTSERRAT WHICH HAS BEEN IN A CONTINUOUS STATE OF ERUPTION SINCE JULY 1995. THE MOST RECENT EXPLOSION IN JUNE 1997 KILLED 19 PEOPLE AND RENDERED A FURTHER 1500 HOMELESS - TWO THIRDS OF THE ISLAND IS NOW IN THE DANGER ZONE. THE ARTISTS SO FAR CONFIRMED TO APPEAR AT THE CONCERT REPRESENT A ROCK HALL OF FAME AND THEY ARE: ERIC CLAPTON, ELTON JOHN, MARK KNOPFLER, PAUL MCCARTNEY AND STING.

ALL MONIES RAISED WILL BE ADMINISTERED BY THE MONTSERRAT FOUNDATION AND WILL GO TO RELIEVE THE DISTRESS OF THE HOMELESS, THE SICK, THE AGED AND THE YOUNG OF MONTSERRAT.

"BUFFETT HAS RECORDED TWENTY NINE ALBUMS, INCLUDING SIX GOLD, THREE PLATINUM AND TWO MULTI-PLATINUM RELEASES. HIS RECORDING OF BOATS, BEACHES, BARS & BALLADS IS THE BIGGEST SELLING BOX SET IN MCA RECORDS HISTORY. JIMMY WAS ONE OF THE FIRST ARTISTS TO RECORD AT AIR STUDIOS MONTSERRAT AND THE RESULTING ALBUM ENTITLED VOLCANO HAS SOLD OVER 700,000 COPIES AND THE SINGLE OF THE SAME NAME IS A FAVORITE AT JIMMY'S SHOWS."

JIMMY ARRIVED IN LONDON ALONG WITH ROBERT GREENIDGE AND RALPH "MR MAGIC" MACDONALD FOR THE FRIDAY AFTERNOON SOUNDCHECK. J.L. THE SWAG KING WENT ALONG, ABUSING HIS SENIORITY AMONG REEFER ROADIES, AND WAS ABLE TO TELL ME WHAT HE REMEMBERED.

"IT TOOK SOME NERVE FOR JIMMY TO GO OVER THERE. HE KNEW MOST PEOPLE AT THE CONCERT WOULDN'T KNOW HIS MUSIC, BUT WHEN WOULD HE HAVE THE CHANCE TO SHARE THE STAGE WITH THESE GUYS AGAIN? A FEW PEOPLE DID ASK FOR HIS AUTOGRAPH ON THE WAY IN, BUT NOTHING LIKE HERE. I SHIPPED ROBERT'S STEEL DRUMS, BROUGHT A COUPLE OF JIMMY'S GUITARS WITH ME

Royal Albert Hall

J.L. Jamison,
Ralph MacDonald,
The King of Somewhere Hot,
Robert Greenidge

Photos: J.L. Jamison

AND ARRANGED LOCALLY FOR RALPH'S PERCUSSION INSTRUMENTS. OTHER THAN THAT I DIDN'T HAVE A LOT TO DO BEFORE THE SHOW.

"FRIDAY WAS THE SOUND CHECK, WHICH WAS ALMOST AS GOOD AS THE ACTUAL CONCERT. ERIC CLAPTON WAS COOL. HE PLAYS THE ROYAL ALBERT HALL QUITE OFTEN AND LOOKS AS IF HE'S VERY COMFORTABLE THERE. JIMMY HAD LUNCH WITH ISLAND RECORD OWNER CHRIS BLACKWELL WHILE RALPH, ROBERT AND I TOOK OFF. RALPH DIDN'T WANT TO SIGHTSEE, HE'D BEEN TO LONDON SEVERAL TIMES. ROBERT'S SISTER LIVES HERE SO HE SPENT TIME WITH HER. I SPENT TIME CRUISING THE PUBS DRINKING WARM BEER - DIDN'T DIG IT."

JIMMY RENEWED OLD ACQUAINTANCES WITH STING AND ERIC CLAPTON, AND SPENT NEARLY AN HOUR TALKING WITH PAUL MCCARTNEY AND HIS SON. THE OTHER ARTISTS TOUR THE U.S. FREQUENTLY,

AND ARE TOUR CONSCIOUS; THEY KNOW HOW SUCCESSFUL A BUFFETT TOUR IS, AND ARE OBVIOUSLY CURIOUS. IMAGINE JIMMY TRYING TO EXPLAIN PARROT HEADS TO ELTON JOHN.

"THE CONCERT ON SATURDAY WAS UNBELIEVEABLE. AFTERWARDS NO ONE RAN TO THEIR LIMO'S OR ANYTHING LIKE THAT. EVERYONE HUNG AROUND THE VIP LOUNGE BACKSTAGE WITH PRINCE ANDREW, AND THEN HEADED FOR AN INVITATION ONLY NIGHT AT THE HARD ROCK. 'LIFE IS JUST A TIRE SWING.'

J.L., OF COURSE, SPENT TIME PACKING UP THE GEAR, HAULED IT BACK TO THE HOTEL AND HIT THE SACK FOR A 6AM FLIGHT IN THE MORNING. "IT WAS GREAT TO SEE JIMMY ACTING LIKE A FAN, ASKING THE OTHERS TO AUTOGRAPH HIS PROGRAM - ALTHOUGH I THINK IT WAS FOR HIS KIDS. HE WAS HONORED TO HAVE BEEN ASKED AND I KNOW HAD A GREAT TIME."

Brave Little Island

Sir George Martin CBE

I have often been asked why I chose Montserrat as a location for a sophisticated modern recording studio. The answer was simple. I fell in love with the place and the people. When my wife and I first visited the island in 1977 we found a beautiful land with a genuine feeling of peace and amity, and I knew that it had the right ambience for the creation of good music.

For nearly eleven years Air Studios helped to shape the sounds of the world's finest recording artists, and all Montserratians were proud that their island was host to many famous stars. Sadly it ended with Hurricane Hugo, which brought the island to its knees. It was then that I first saw for myself the islanders' courage in the face of disaster. They braced themselves and started all over again.

And now, cruelly, for two years they have had to bear a cycle of volcanic eruptions which has robbed them of their main town and seaport, their airport, much of their industry and the best of their agricultural land. Thousands have lost everything; their homes and livelihoods, and some their lives. It seems the world judges Montserrat to be finished. Many Montserratians believe otherwise, and hope that a new future can be built in the safer northern part of the country.

It is a measure of their regard for the people of Montserrat that the response to my appeal by the stars who recorded there was both immediate and positive. I would like to thank each and every one of them - and the countless number of people who have made this concert possible - for their generosity in giving so freely of their time and effort. Not one person hesitated, and so tonight we are sending everyone a message. We give our sympathy, encouragement, firm support and our love to a brave little island.

Don't Stop The Carnival

The Carbonell Awards are given by the South Florida Critics' Association to salute the best work of local theaters. The awards are named after Miami sculptor Manuel Carbonell, who created and donates the solid bronze statuettes for the program. Jimmy Buffett and Herman Wouk's collaboration on *Don't Stop the Carnival* received 14 nominations for the 1996-1997 theater season.

According to Christine Dolen, Miami Herald Theater Critic, "It is the runaway leader among shows vying for the 22nd annual Carbonell Awards. Nominated as best musical and best new work, *Don't Stop the Carnival* also snagged nominations for key performers Michael Rupert, Josh Mostel, Avery Sommers, Sandy Edgerton, Susan Dawn Carson and Aaron Cimadevilla, as well as director-choreographer David Bell."

Don't Stop the Carnival is Pulitzer Prized winning author Herman Wouk's now classic story of a middle-aged New Yorker seeking the simple life running a hotel on a Caribbean island. Jimmy and Herman Wouk continue to labor over the musical, creatively fine tuning the piece for an anticipated New York City performance.

PHLOOCKINGS

LOUNGE LIZARDS OR PARROT HEADS?

Crapped out Parrot Heads flew this e-mail in from Vegas and boy are their arms tired. "I just wanted to let you know how successful the Its Midnight and I'm Not Famous Yet 1997 phlocking went."

Fingers Taylor was persuaded to play, and was kind enough to sign several harmonicas for a raffle. Parrot Head donations and fundraising activities raised over \$2500 for the Las Vegas M.A.S.H. Group.

Mike McLain

A tip o' the wing to University of Kentucky football coach Hal Mumme. Buffett music is played before home games, and Coach Mumme's television show sets game highlights to Jimmy's songs. Sort of a Parrot Football music video. "UK football is now fun again and we're back on a winning track...yet another far reaching effect Buffett's music is having."

Chris Canfield

Jimmy and the Coral Reefers were in exceptional form. Is it just me, or is Fingers aging like fine wine? He just seems to get better every year...The bottom line for me is that there aren't many places or events you can go to anymore and be guaranteed of having a great time. JB continues to provide this for us, and I hope I can attend another 5 shows in the years to come. It is a great feeling to see 15,000 people come together for a common purpose, and to see them enjoying each others company for an evening. This may sound corny, but we are part of a special group, and I feel darn lucky to have become a part of it. Fins up!

AND NOW POLICE DETECTIVES BELIEVE THE MAN DUBBED THE JIMMY BUFFETT BANDIT MAY BE POISED TO STRIKE AGAIN. "HE'S TURNING INTO A SERIAL ROBBER," DETECTIVE THOMAS GATTEGNO TOLD CITY NEWS SERVICE. "HE'S DEVELOPING A PATTERN AND HE'S GOING TO ROB MULTIPLE INSTITUTIONS FOR A LONG TIME IF WE DON'T CATCH HIM QUICK." POLICE HAVE NICK-NAMED HIM THE JIMMY BUFFETT BANDIT BECAUSE OF HIS COLORFUL ATTIRE, WHICH RESEMBLES CLOTHING WORN BY THE FAMOUS SINGER-SONGWRITER. POLICE SAY THE BANDIT ALSO WEARS A SNAP-BRIM CAP DECORATED WITH AN ANCHOR INSIGNIA.

North Carolina Parrot Head Steve Carroll, together with 75 of his Buffett buddies, spent this summer cleaning the sands of Carolina Beach. This is in addition to their continuing efforts with Toys for Tots, Alzheimer's disease research and the Make a Wish Foundation. Keep it up Steve.

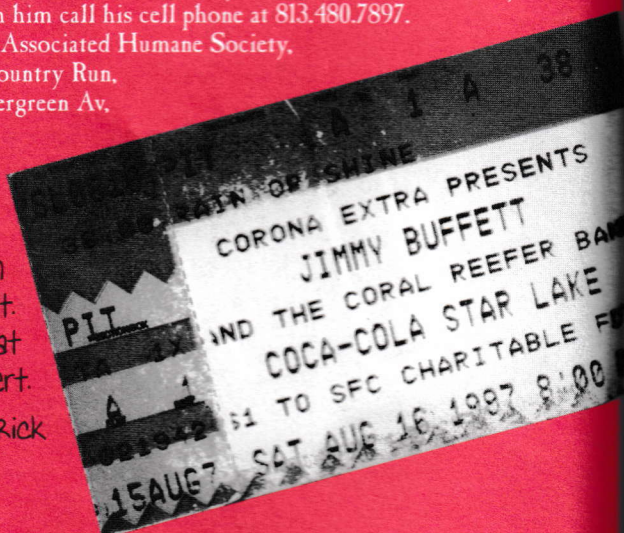

Joe Nolfo, mentioned in the last Coconut Telegraph, continues his Margaritaville Store sponsored "run" across the southern skirt of the U. S. raising money for the Associated Humane Society. He'll be in White Sands, NM late this month, through Arizona in November and into Los Angeles by December 20. Over 70 Parrot Heads met Joe in downtown Dallas. If you'd like to hook up with him call his cell phone at 813.480.7897.

Songs You Don't Know By Heart

Available on long playing LP or 8-track tape only, Jimmy Buffett's *Songs You Don't Know By Heart*. All the great misses from 1997's Havana Daydreamin' Tour. Songs like Hello Texas, Truckstop Salvation, and If I'm Gonna Eat Somebody, It Might As Well Be You. Relive the summer tour as Jimmy and the Reefers forget such forgetables as Ellis Dee, and Don't Bring Me Candy. Join Jimmy in a nostalgic trip through the sometime hazy 70's as he drowns in Perrier Blues and can't find the rental car (or the tune) in Fool Button. And if you order now you'll also receive the classic country stumper Countin' the Cows Ev'ry Day.

But wait there's more. Each tape purchase includes a matchbook from the Margaritaville Cafe featuring the exclusive "Fold To Fit" design creating a perfect wedge insert for your 8-track player.

But that's not all. The first 10,000 callers will also receive a copy of a recent biography with hundreds of tear out pages suitable for all domestic pet needs.

Behind the Counter... takin' a bite

This installment finds the Behind The Counter staff north of Key West and southeast of disorder in the Big Easy. The crack management staff from Key West met with their counterparts in New Orleans to discover just who does this and that.

In August we took a bite out of the Big Apple while attending a product show - over one million square feet of merchandise displayed in one area. We did a lot of walking, and saw a lot of cool new items - everything from clothing to novelties. We rested "our dogs" on our last night in a white stretch limo which deposited us backstage at the New Jersey concert just in time for dinner.

We had third row tickets for the concert, and got into the spirit real quick. I'm sure all Parrot Heads would agree, no matter how many concerts we've been to, they're always great.

Last month we went to New Orleans to meet with the Margaritians there to see how we as a company were doing, what our future was and where the best place was to get a good meal. Thanks to all of you, the business is doing great, the future looks bright, and finding a good meal in New Orleans is as easy as walking out of your hotel room.

We were joined by people from the Key West cafe, the Coconut Telegraph and something called the world wide web. The plan was to meet new employees, reacquaint with old, and decide how we would operate for the next year. Being Margaritaville, our meetings are usually pretty laid back and not very long. This time, however, we had a lot to discuss, so it was almost like what we can only imagine must happen in "real world" meetings. We chose some new merchandise for Spring while the cafe people compared recipes and menus, and then we all checked out our web site, <http://margaritaville.com>. Through it you can go to Key West or New Orleans and we're told a virtual store will be loaded very soon. Our heads were swimming.

The Margaritaville Cafe was holding a private party Friday night, so we went by to check it out. While there we ran into Fingers Taylor. He was in town for a photo shoot and spent some time with us, and even ended up sitting in with the band. He's a good guy and always has been nice to us.

That Saturday, after all was said and done, we met at Sunshine's - our boss - (the same one who sent the limo in New York) to watch the Music For Montserrat concert. We had a great time, but it looked like Jimmy had a better one. After the concert, we headed back to our hotel. On the way we passed a bar called Harry's and thought we'd have "one more." We left 5 hours later, \$100 richer, thanks to Sharon's video poker skills, and a whole lot looser.

Next issue. Spring Break in Key West.
