

Fruitcakes

Jimmy Buffett, Amy Lee

You know I was talking to my friend Desdemona the other day,

She runs the space station and bake shop down near Boomtown.
She told me that human beings are flawed individuals, that
The cosmic bakers took us out of the oven a little too early
And that's the reason we're as crazy as we are, and I believe it.

Chorus

Fruitcakes in the kitchen
Fruitcakes on the street
Struttin' naked through the cross walk
In the middle of the week

Half baked cookies in the oven
Half baked people on the bus
There's a little bit of fruitcake left in everyone of us

Paradise - Lost and found

Paradise - take a look around

I was out in California
Where I hear they have it all
They got riots, fires and mud slides
They got sushi in the mall
Water bars and Brontosaurus
Chinese modern lust
Shake and bake life with the quake
The secret's in the crust

Chorus

Religion, religion. Oh there's a thin line between Saturday
night and Sunday morning. Here we go now. All right, altar boys.

Mea culpa, mea culpa, mea maxima culpa
Mea culpa, mea culpa, mea maxima culpa

Where's the church? Who took the steeple?
Religion's in the hands of some crazy ass people
Television preachers with bad hair and dimples
The God's honest truth is it's not that simple

It's the Buddhist in you, it's the pagan in me
It's the Muslim in him, she's catholic ain't she?
It's the born again look, it's the WASP and the Jew
Tell me what's goin' on? I ain't got a clue!

Here come the big ones - Relationships - We all got 'em, we
all want 'em. What do we do with 'em? Here we go, I'll tell ya.

She said you've got to do your fair share
Now cough up half the rent
I treat my body like a temple
You treat yours like a tent

But the right word at the right time
May get me a little hug
That's the difference between lightning
And a harmless lightning bug

Chorus
